

Dear People, Howdy!

This may be the most important email I have ever sent in my life. It contains over 100 sources and if you go within some of the sources and documentaries, a total of over well over 250 sources and closer to 500-1000 sources.

Please take a moment to breathe and read. This is designed to save lives. Please, at least scan this. This is the most important email I have ever sent in my life. Feel free to take all the info from here and turn into a cleaner format. This is public information.

I have linked sources for all claims and linked documentaries as well. Please, Jesus Christ, please don't assume before reading all. Don't let Cognitive Dissonance or Confirmation Bias or emotional attachment to believed data keep you from examining all the data necessary. Science is the quest for Truth, without emotional attachment to data. The researcher and investigation mindset is a courageous search for Truth. I have dedicated the last year and a half of my life to this and a book I wrote on health, "The Necessary Nine of Human Health." (Link down below).

Topics covered:

Healing protocol from Spike Proteins and Graphene Oxide

Wuhan Lab Leak documentary that broke the story, proving corrupt ties.

History of corruption of pharmaceutical companies

History of lies and corruption of vaccines.

List of doctors (40+) and documentaries (13+) showing dangers of vaccines

Ivermectin studies and proof of its benefits.

Absolute Risk versus Relative Risk reporting of Vaccines

Natural Immunity (8-21x more effective immune system with natural immunity)

Proof of extremely low death rates (0.1%, as reported science journals)

Corruption and intentional misdiagnosis of Covid

Flaws of the PCR testing

Masks are ineffective as stopping spread and actually make things worse

Intentional lies of how widespread the disease would be

Laws that are being broken in the United States and California by mandates

If you were being lied to, how would you know?

“It is easier to fool a person than convince them they have been fooled.”

Mark Twain

Fear is a reaction, courage is a choice. We must choose to find peace in the midst of chaos so that we can use our intuition and higher thinking abilities for better outcomes.

It's important to know our history. The Cutter Event from the polio vaccine in which the vaccinated from polio became the super spreads, as admitted in a US Senate hearing by Dr. Jonas Salk of the Salk Institute, with their vaccine.

Ivermectin won a Nobel Prize in 2015 for its amazing benefits in humans and over 3.4 billion doses have been given worldwide and is a WHO required essential medicine for parasites and also the CDC has as a required medicine to be given to refugees entering the United States. HCQ, notoriously one of the safest drugs ever created with zero deaths ever caused and admitted by Dr. Fauci in the Sars 1 outbreak to be a prophylactic and therapy for SARS1. <https://pubmed.ncbi.nlm.nih.gov/16115318/>

It is an absolute abhorrent tragedy that these pharmaceuticals are lied about because they are cheap and actually safe, having zero documented deaths, only rare overdoses that led to sickness but no death. And they call the vaccines safe

even though DEATH IS LISTED AS AN OFFICIAL SIDE EFFECT. (CDC picture attached)

“Let’s put this in perspective. First, a relative risk reduction is being reported [at 95%], not absolute risk reduction, which appears to be less than 1%.”

<https://blogs.bmj.com/bmj/2020/11/26/peter-doshi-pfizer-and-modernas-95-effective-vaccines-lets-be-cautious-and-first-see-the-full-data/>

<https://greatmountainpublishing.com/2021/02/27/how-moderna-rigged-its-covid-19-vaccine-trials-to-falsely-show-effectiveness/>

Absolute Risk versus Relative Risk. The lie that the shots are 95% effective is Relative Risk reduction and the Absolute Risk reduction is 0.6%. This means that 0.6% of people didn't get sick and 95% experienced symptoms that were considered to be reported less than those who didn't get the shot. Here's the thing, self reporting and bias is enough to explain these. Placebo is also enough to overshadow the absolute risk reduction and the relative risk reduction.

Natural Immunity is absolutely a real thing, OBVIOUSLY. (If it wasn't EVERYONE would be dead.) It's gross we even need to talk about this but we must fight the propaganda of the pharma fascists. My personal opinion is that any benefits of the vaccines is placebo effect. (List put together by Syl Wia on Telegram). "SARS-CoV-2-naïve vaccinees were also at a greater risk for COVID-19-related-hospitalizations compared to those that were previously infected. Conclusions: This study demonstrated that natural immunity confers longer lasting and stronger protection against infection, symptomatic disease and hospitalization caused by the Delta variant of SARS-CoV-2, compared to the BNT162b2 two-dose vaccine-induced immunity. Individuals who were both

previously infected with SARS-CoV-2 and given a single dose of the vaccine gained additional protection against the Delta variant.”

REVEALED: 26 out of the 27 Lancet scientists who trashed theory that Covid leaked from a Chinese lab have links to Wuhan researchers

On March 7 last year, the influential Lancet journal published the letter in which the 27 scientists said they 'strongly condemned conspiracy theories' surrounding the origins of Covid-19.

👁 1 8:03 PM

Early on Dr. Fauci wrote that SarsCov2 would have a death prevalence of 0.1%, meaning a 99.9% survival rating. And this report agrees.

"If one assumes that the number of asymptomatic or minimally symptomatic cases is several times as high as the number of reported cases, the case fatality rate may be considerably less than 1%. This suggests that the overall clinical consequences of Covid-19 may ultimately be more akin to those of a severe seasonal influenza (which has a case fatality rate of approximately 0.1%) or a pandemic influenza (similar to those in 1957 and 1968) rather than a disease

similar to SARS or MERS, which have had case fatality rates of 9 to 10% and 36%, respectively.²"

<https://www.nejm.org/doi/full/10.1056/NEJMe2002387>

Only 6% of all Covid deaths were from Covid alone. 94% had an average of 2.9 comorbidities.

https://www.cdc.gov/nchs/data/health_policy/covid19-comorbidity-expanded-12092020-508.pdf

All deaths with Covid were marked as a death by Covid.

"Dr. Deborah Birx, White House coronavirus response coordinator, said in the dark month of April:

"If someone dies with COVID-19, we are counting that as a COVID-19 death,"

<https://coronane123.wordpress.com/2020/09/17/heart-attacks-and-flu-counted-in-94-comorbidities-in-covid-death-count/>

"In cases where a definite diagnosis of COVID–19 cannot be made, but it is suspected or likely (e.g., the circumstances are compelling within a reasonable degree of certainty), it is acceptable to report COVID–19 on a death certificate as “probable” or “presumed.” In these instances, certifiers should use their best clinical judgement in determining if a COVID–19 infection was likely."

<https://www.cdc.gov/nchs/data/nvss/vsrg/vsrg03-508.pdf>

A man who died in a motorcycle accident was marked as a Covid death.

Don't let labels and identity politics keep you from following the science and seeking absolute Truth. Also, don't be a corruption denier.

Facebook shut down a vaccine injured group page that had 600,000 followers. Reddit shut down a page also. Instagram is banning accounts. Twitter is banning accounts. The mark of the beast shot is out there. Thankfully I've seen 30% of the shots given out are placebo. More research is needed there.

https://www.hisperfectbride.com/post/what-is-the-mark-of-the-beast-expanded-version?utm_campaign=27732535-17f0-41c6-a814-52983b4e2f86&utm_source=so&utm_medium=mail&cid=d61a3ffb-4016-43d5-be09-ff038ae5d120

Due to all the anecdotal reports I have seen and research coming out of Israel and that has been shared by credible doctors, I do ask, if you have received the mRNA vaccine to please not request a medical massage therapy session with me. There are reports of women having miscarriages just from being around coworkers and family members who were vaccinated. There are reports of women having three week long periods and other cycle issues. We should all know by now the vaccines do not prevent illness and do not prevent transmission, in fact, breakthrough cases (failed vaccines) are driving the variants. Just as the Cutter Event happened where the vaccinated became the super spreaders.

Wait until you find out about the lies about masks and the PCR test, which can't tell the difference between the common cold, the flu, Ebola, or Sars1 or Sars 2. <https://principia-scientific.com/covid-19-masks-causing-rise-in-bacterial-pneumonia/>

Masks are unsanitary and do not stop infection and actually increase infection rates due to the mold, fungi, and bacteria that build up on the inside. Go to this link and see the 30+ evidence based details on the ineffectiveness of masks and the harm of chronic mask usage.

<https://swprs.org/face-masks-evidence/>

4. An analysis by the **US CDC** found that **85% of people** infected with the new coronavirus reported wearing a mask “always” (70.6%) or “often” (14.4%). Compared to the control group of uninfected people, always wearing a mask did not reduce the risk of infection.

7. Contrary to common belief, studies **in hospitals** found that the wearing of a medical mask by surgeons during operations didn't reduce post-operative bacterial wound infections in patients.
6. In the **US state of Kansas**, the 90 counties without mask mandates had lower coronavirus infection rates than the 15 counties with mask mandates. To hide this fact, the Kansas health department tried to manipulate the official statistics and data presentation.

8. During the notorious **1918 influenza**

9. The initially low coronavirus infection rate in some **Asian countries** was not due to masks, but due to **very rapid border controls**. For instance, Japan, despite its widespread use of face masks, had experienced its **most recent influenza epidemic** just one year prior to the covid pandemic.
10. Early in the pandemic, the advocacy group “masks4all” **argued that Czechia** had few infections thanks to the early use of masks. In reality, the coronavirus simply hadn’t engulfed Eastern Europe yet; a few months later, Czechia had **one of the highest** infection rates in the world.

If Vaccines Are Questioned

"We're automatically considered a quack, no matter whether we're Nobel prize winners or not, no matter whether we're neurosurgeons, no matter whether we're successful obstetricians, doctors of chiropractic, PhDs in neuroscience, PhDs in biology, PhDs in immunology. I think that that should raise a red flag for people."

Please, share this information with your family. I’m in the business of saving souls. Every life matters. And beware the narrative of the media that profits from this plandemic.

"A cured patient is a customer lost." Big Pharma.

The Nazi's main slogan was "for the greater good." It's fine until it's your family that's affected.

<https://academyofideas.com/2020/09/greater-good-tool-of-social-control/>

The Nazi's scared people into thinking the Jews were disease carriers. That's how they were able to scare everyone into letting them be put in ghettos and eventually so many were taken away to be killed.

"The Nazis often portrayed those they persecuted as vermin, parasites, or diseases."

<https://perspectives.ushmm.org/item/jews-are-lice-they-cause-typhus>

This terrible tactic is being used against the unvaccinated with a playbook from the Nazi's. This time, it will not succeed. Truth wins. Good wins.

Neil Ferguson, a notorious liar of data, had predictions that scared people into compliance. He has lied more than 5 times about epidemics and over called them by as many as 10 million to 200 million times as many every time. He has been wrong A LOT. (picture attached)

<https://principia-scientific.com/neil-master-of-disaster-ferguson-gets-it-wrong-again/>

Bill Gates even said 33 million people would die, and then was famously taking a picture with a book titled "How to lie with Statistics" (picture attached)

I believe he did this to scare people. He is making billions of dollars from the lockdowns and stocks invested in vaccine companies. Wake up and smell the agenda. Are you a corruption denier?

I have cried a lifetime of tears already at the pain and loss of humanity. I will expose darkness and lies because I have given my life to Christ, who guides me

to my Lord and Savior, the God and Father of Jesus Christ of Nazareth (Ephesians 1:3).

On the Nuremberg trials one of the doctors replied when asked how they got everyone to go along with the Nazi agenda, he said

"Voice or no voice, the people can always be brought to the bidding of the leaders. That is easy. All you have to do is tell them they are being attacked, and denounce the pacifists for lack of patriotism, and exposing the country to greater danger."

I had a dream in April 2020 that a sleeping giant has been awoken. I believe this with all my heart and soul.

I have also had a dream that same year where I was a shepherd among sheep and I saw shepherds off in the distance and I was crying out for help because a dark force was coming; and as I was calling out sheep began to turn into shepherds and then a great pure light came and drove the darkness away.

They told me to follow the science, I did. They told me to be better, I am.

“YHWH Shalom

I am Taylor Michael Holt and I'm from Texas and now I'm from California too. My grandma died. She loved freedom and Jesus. I have a history of double white pneumonia and collapsed lung and lost a job over masks. My other profession was deemed non essential. I used to be a registered Democrat. That's changed. There's a lot like me. I'm willing to live and die for the God of truth and love. Jesus Christ knows. Let freedom and justice rain.

Title 18 USC Section 242

Whoever, under color of any law, statute, ordinance, regulation or custom willfully subjects any person to the deprivation of any rights protected by the Constitution or laws of the United States, ... shall be fined under this title or imprisoned and if death results from the acts committed in violation of this section or if acts include kidnapping or an attempt to kidnap, aggravated sexual abuse, or an attempt to commit aggravated sexual abuse, or an attempt to kill, shall be fined under this title, or imprisoned for any term of years or for life, or may be sentenced to death.

Death is a side effect listed under the vaccines. Mandating them is an attempt to kill. 1st Bill of Rights includes right to freedom of communication and right to gather. Repent and end mask mandates and vaccine mandates for good. Otherwise I want you charged, arrested, (tried) and imprisoned for the crimes you have already committed.

Save the children.

Crimes Against Humanity International Law: inhumane acts of character intentionally causing great suffering, or serious injury to body or to mental or physical health." Chronic mask use, face diapers, is unsanitary. MASKS ARE USED AT GUANTANAMO BAY SPECIFICALLY AS A FORM OF TORTURE!

Crimes Against Humanity: Ethnic Persecution includes the targeting was based on political, racial, national, ethnic, cultural, religious, or gender identity

Follow the science. Be better. We all matter. Follow the God of love, grace, and wisdom. Everyone watch "Trace Amounts: Ethyl Mercury" educational documentary, big Pharma lies.

Whoever loses his life for Christ's sake shall find his life. Christ is the Truth. The truth is both the immovable object and the unstoppable force. Thank you Jesus. YHWH Jahoshua Ha Mashiach Ruach Ha Qodesh"

Genghis Khan made his slaves wear masks as a way to dehumanize them, separate them, demoralize and because "they weren't fit to breathe the same air as him and his people." "Genghis Khan and the Making of the New World" by Jack Weatherford. The number one MOST recommended book by BILLIONAIRES according to Tim Ferris. So, yes, I read it. The mask mandates are 100% by psychopaths and hypocrites who want to divide and conquer. There are many sociopaths who enjoy watching people suffer needlessly.

California Laws

Notes from Peggy Hall of The Healthy American who is suing the government!

1292 6Q I am free to put what I want on my face and not put in my face.

California Civil Code 43 we have the right to not have physical harm against my body.

California Civil Code 51 we are free and equal

California Civil Code 46 it's a violation of the law to say someone has an infectious disease when they don't.

CDC and OSHA say you can't ask for a test without symptoms.

California code law 271 I have a right what is done to my body.

California Government Code Law 37100 Laws are only valid if they do conflict with the constitution.

United States Law: TITLE 18, U.S.C., SECTION 242

Whoever, under color of any law, statute, ordinance, regulation, or custom, willfully subjects any person in any State, Territory, Commonwealth, Possession, or District to the deprivation of any rights, privileges, or immunities secured or protected by the Constitution or laws of the United States, ... shall be fined under this title or imprisoned not more than one year, or both; and if bodily injury results from the acts committed in violation of this section or if such acts include the use, attempted use, or threatened use of a dangerous weapon, explosives, or fire, shall be fined under this title or imprisoned not more than ten years, or both; and if death results from the acts committed in violation of this section or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse, or an attempt to commit aggravated sexual abuse, or an attempt to kill, shall be

Marbury v Madison 5 U.S. 137 (1803)

“All laws which are repugnant to the Constitution are null and void.” *Marbury v Madison 5 U.S. (2 Cranch) 137, 174, 176 (1803)*

The declaration to close churches was an unlawful order. The mandates to force coverings is an unlawful order. Hence why I have been able to enter federal buildings without a face covering, because it's not the law. It's an unlawful order. United non-compliance is needed.

The First Amendment (1st Protected Right in the Bill of Rights)

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Peaceably to assemble is included. NO ONE has the authority to say we cannot gather for church. It was an unlawful order punishable by law. We are wise enough to know that it is not incompetence that is fueling this satanic parasitic communist Nazi agenda, IT IS MALICIOUS INTENT. CRIMINAL CORRUPTION DESERVES PUNISHMENT. Speak it into existence. Manifest destiny. The body of Christ will win this war.

The Second Amendment (2nd Protected Right in the Bill of Rights)

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms shall not be infringed.

IT IS NOT FOR HUNTING. IT IS NOT FOR SELF PROTECTION. IT IS FOR A MILITIA BY WE THE PEOPLE. (I don't own a gun or condone violence. I do hate lies though and that's why I put this second amendment because it too has been slandered. The Nazi's took away the guns of the people first before genocide. So did the Chinese communist party. Many believe the USA has not been invaded because of the 383 million guns owned by private citizens).

This is what graphene looks like on a molecular level. It is a single layer of carbon atoms arranged in a two-dimensional honeycomb lattice. Each honeycomb consists of 6 carbon atoms forming a hexagon (6 sided polygon). Carbon is the number 6 on the periodic table because it has 6 protons, 6 neutrons and 6 electrons. If graphene is in the jab which it is, then it is definitely the mark of the beast. You cannot get any more 6's out of a chemistry set than with graphene. It is exactly what you think it is.

* Gene targets for RT-PCR testing included the N protein gene region and the ORF1ab polyprotein gene region. The N gene targets were analyzed separately for two laboratories because Ct values are not directly comparable across different testing laboratories; these N gene targets were designated SARS-CoV-2 nucleocapsid (SC2N) and N to differentiate between the two participating laboratory partners. Gene targets were selected based on testing platforms used by LACDPH laboratory partners.

This argument – that the known risks of infectious diseases outweigh a potential risk neurological damage from exposure to thimerosal in vaccines - is one that has continuously been presented to the Committee by government officials. FDA officials have stressed that any possible risk from thimerosal was theoretical, that no proof of harm existed. However, the Committee, upon a thorough review of the scientific literature and internal documents from government and industry, did find evidence that thimerosal did pose a risk.

Thimerosal used as a preservative in vaccines is likely related to the autism epidemic, epidemic. This epidemic in all probability may have been prevented or curtailed had the FDA not been asleep at the switch regarding the lack of safety data regarding injected thimerosal and the sharp rise of infant exposure to this known neurotoxin. Our public

comment, but I got called out at eight o'clock for an emergency call and my daughter-in-law delivered a son by C-section. Our first male in the line of the next generation, and I do not want that grandson to get a Thimerosal containing vaccine until we know better what is going on. It will probably take a long time. In the meantime, and I know there are probably implications for this internationally, but in the meanwhile I think I want that grandson to only be given Thimerosal-free vaccines.

I hesitated between a one and a two. I finally put in a two.

neurobehavioral findings were caused by Thimerosal containing vaccines, you could readily find a junk scientist who would support the claim with "a reasonable degree of certainty". But you will not find a scientist with any integrity who would say the ~~refuse~~ with the data that is available. And that is true. So

So we are in a bad position from the standpoint of defending any lawsuits if they were initiated and I am concerned.

So it may not be the government doing some of these studies. If you could use any of the precedent from other drugs and other chemicals is smaller than the fact of dumping this back on the industry that uses the vaccines and ask the company to produce these studies. That has certainly been a pattern for an awful lot of things.

NEVER FORGET

September 10th 2001

Donald Rumsfeld holds a press conference to state that the Pentagon was missing more than \$2,300,000,000,000 but the next day something happened and everybody forgot

Just so happens the Pentagon was hit in the Navy Financial Records department and there was no wreckage of any plane found that day. Also, World Trade Center 7, which was admitted to being demolished (by owner Larry Silverstein) housed financial records of the FBI, CIA, NSA, IRS, and other big government agencies. World Trade Center 7 was left out of the official White House report. Demolition of that scale takes weeks to prepare. The Twin Towers came down in

perfect demolition form. We as the People must understand we were lied to. DONT BELIEVE THE LIES. Don't be a corruption denier.

This is a must read. The Bidens own 10% of a Chinese lithium ion battery company whos stock has soared almost 300% since Biden was "elected". Afghanistans biggest mineral is lithium valued between \$1 trillion to \$3 trillion dollars. China was already in talks with the Taliban before Bidens Afghan debacle. China moves in and takes over the lithium market and the Bidens profit off of all of this at the expense of American lives. Its all making sense now!

For anyone interested in researching the company = Contemporary Amperex Technology Co., Limited (CATL).

CATL is the "world's largest maker of electric vehicle batteries."

- Section 242 of Title 18 makes it a crime for a person acting under color of any law to willfully deprive a person of a right or privilege protected by the Constitution or laws of the United States. For the purpose of Section 242, acts under "color of law" include acts not only done by federal, state, or local officials within their lawful authority, but also acts done beyond the bounds of that official's lawful authority, if the acts are done while the official is purporting to or pretending to act in the performance of his/her official duties. Persons acting under color of law within the meaning of this statute include police officers, prisons guards and other law enforcement officials, as well as judges, care providers in public health facilities, and others who are acting as public officials. It is not necessary that the crime be motivated by animus toward the race, color, religion, sex, handicap, familial status or national origin of the victim. The offense is punishable by a range of imprisonment up to a life term, or the death penalty, depending upon the circumstances of the crime, and the resulting injury, if any.

TITLE 18, U.S.C., SECTION 242

Whoever, under color of any law, statute, ordinance, regulation, or custom, willfully subjects any person in any State, Territory, Commonwealth, Possession, or District to the deprivation of any rights, privileges, or immunities secured or protected by the Constitution or laws of the United States, ... shall be fined under this title or imprisoned not more than one year, or both; and if bodily injury results from the acts committed in violation of this section or if such acts include the use, attempted use, or threatened use of a dangerous weapon, explosives, or fire, shall be fined under this title or imprisoned not more than ten years, or both; and if death results from the acts committed in violation of this section or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse, or an attempt to commit aggravated sexual abuse, or an attempt to kill, shall be fined under this title, or imprisoned for any term of years or for life, or both, or may be sentenced to death.

Someone's,,,,,,
BRILLIANT HOMEWORK !!!!!

"I gathered all vaccine ingredients into a list and contacted Poison Control. After intros and such, and asking to speak with someone tenured and knowledgeable, this is the gist of that conversation.

Me: My question to you is how are these ingredients categorized? As benign or poison? (I ran a few ingredients, formaldehyde, Tween 80, mercury, aluminum, phenoxyethanol, potassium phosphate, sodium phosphate, sorbitol, etc.)

He: Well, that's quite a list... But I'd have to easily say that they're all toxic to humans... Used in fertilizers... Pesticides... To stop the heart... To preserve a dead body... They're registered with us in different categories, but pretty much poisons. Why?

Me: If I were deliberately to feed or inject my child with these ingredients often, as a schedule, obviously I'd put my daughter in harm's way... But what would legally happen to me?

He: Odd question... But you'd likely be charged with criminal negligence... perhaps with intent to kill... and of course child abuse... Your child would be taken away from you... Do you know of someone's who's doing this to their child? This is criminal...

Me: An industry... These are the ingredients used in vaccines... With binding agents to make sure the body won't flush these out... To keep the antibody levels up indefinitely...

He: WHAT?!

Your conclusion?

The man was beside himself. He asked if I would email him all this information. He wanted to share it with his adult kids who are parents. He was horrified and felt awful he didn't know... his kids are vaccinated and they have health issues..."

✅ **INGREDIENTS TO VACCINES** - You CANNOT make an educated decision without being educated.

Here are just SOME vaccine ingredients.
These are being INJECTED into your kids;

- Formaldehyde/Formalin - Highly toxic systematic poison and carcinogen.
- Betapropiolactone - Toxic chemical and carcinogen. May cause death/permanent injury after very short exposure to small quantities. Corrosive chemical.
- Hexadecyltrimethylammonium bromide - May cause damage to the liver, cardiovascular system, and central nervous system. May cause reproductive effects and birth defects.
- Aluminum hydroxide, aluminum phosphate, and aluminum salts - Neurotoxin. Carries risk for long term brain inflammation/swelling, neurological disorders, autoimmune disease, Alzheimer's, dementia, and autism. It penetrates the brain where it persists indefinitely.
- Thimerosal (mercury) - Neurotoxin. Induces cellular damage, reduces oxidation-reduction activity, cellular degeneration, and cell death. Linked to neurological disorders, Alzheimer's, dementia, and autism.
- Polysorbate 80 & 20 - Trespasses the Blood-Brain Barrier and carries with it aluminum, thimerosal, and viruses; allowing it to enter the brain.
- Glutaraldehyde - Toxic chemical used as a disinfectant for heat sensitive medical equipment.
- Fetal Bovine Serum - Harvested from bovine (cow) fetuses taken from pregnant cows before slaughter.
- Human Diploid Fibroblast Cells - aborted fetal cells. Foreign DNA has the ability to interact with our own.
- African Green Monkey Kidney Cells - Can carry the SV-40 cancer-causing virus that has already tainted about 30 million Americans.
- Acetone - Can cause kidney, liver, and nerve damage.
- E.Coli - Yes, you read that right.
- DNA from porcine (pig) Circovirus type-1
- Human embryonic lung cell cultures (from aborted fetuses)

*You can view all of these ingredients on the CDC's website. I encourage everyone to do their own research. Look up the MSDS on these chemicals. Read the thousands of peer reviewed studies that have evaluated the biological consequences these chemicals can have on the body, especially when being injected.
